Medal Round Schedule

Tie Break Rules

Teams will be ranked and seeded directly into separate medal round bracket tournaments after the completion of play by all teams in their pool. Pool play standings will be determined by using the following criteria:

- 1st Tie Breaker: Most wins
- 2nd Tie Breaker: Head-to-head results
- 3rd Tie Breaker: Point differential by subtracting the total number of points allowed from the total number of points scored (maximum of 20 points per game).
- 4th Tie Breaker: Fewest points scored
- 5th Tie Breaker: Most points scored
- 6th Tie Breaker: Coin flip

If identical win/lose record exist in pool play standings with multiple teams, starting with point differential, the top two teams will be identified. Once this has taken place those two teams will then begin again the criteria for seeding. This protocol will continue for all remaining number of tied teams until all teams are seeded accordingly.
